Experience

In-House Editor / Post Production Coordinator - Partizan Entertainment Feb. 2017 - Mar. 2019

Edited music videos and branded content pieces. Served as the liaison between our producers and the post houses as projects worked their way through the post process. Managed the vault of hard drives as well as the online database of directors' work.

Production & Development Intern - Focus Features Sept. 2016 - Dec. 2016

Primary duties consisted of reading and analyzing scripts, as well as performing script coverage. Covered desks and phones for the President of Production and the EVP of Physical Production at Focus, and the VP of Production at Universal Pictures.
